Are you a Form Four graduate who missed the last application window? Or maybe you didn't get a chance to further your studies yet? Don't worry, KUCCPS is giving you one final opportunity this year to apply for Diploma, Craft Certificate, and Artisan Certificate courses in National Polytechnics and other TVET institutions. The minimum entry requirements are as follows: Diploma C - (minus) and above, Craft Certificate D and above, and Artisan Certificate D - (minus) and below. Additional requirements can be found on the online application portal. To apply, log into the Student's Portal and fill out your application for available programs. Make sure you've read the guidelines before starting. Eligible applicants are all KCSE certificate holders who haven't benefited from government sponsorship before. Successful applicants will be admitted to a college of their choice as early as January 2020. For more information, visit www.kuccps.ac.ke or call 020-5137400, 0723954927, or 0734879662. Online registration and licensing for TVET trainers and assessors are now available through our platform. Professionals from the industry can also apply to become assessors and verifiers for CBET programs listed online. Important roles and responsibilities of these professionals align with the CBETA standards, as stated in Section 57(b) of the TVET Act, 2013. Additionally, see the full guide on TSC teacher registration requirements at mis.tveta.go.ke. The required documents include certified copies of academic qualifications from approved institutions and a certificate of good conduct issued by DCI. Continuous professional development (CPD) is mandatory for renewing trainer licenses after three years. First-time applications cost KES 1,000 while renewal costs KES 500. A penalty clause applies to those who fail to comply with the TVET Act 2013, carrying a fine of up to one million shillings or imprisonment for three years. For any queries or issues, contact us at support@tveta.go.ke. You can now apply online through the link: mis.tveta.go.ke. This includes registration and licensing for institutions as well as trainers, assessors, and verifiers.
